

Imagine that a large-scale earthquake rocks Tooele County tomorrow. As many as 85% of the people who flock to our hospitals won't need emergency care and many of those who need it won't be able to get through the doors.

The Tooele County Medical Reserve Corps can help. For example, it could establish triage centers in various communities to help reduce the surge at our hospitals. Medical Reserve Corps members could also assist with the distribution of medicine and provide medical care at Red Cross Shelters.

We are looking for active and retired:

- ~ physicians
- ~ dentists
- ~ epidemiologists
- ~ physician assistants
- ~ counselors
- ~ interpreters
- ~ nutritionists
- ~ industrial hygienists
- ~ social workers
- ~ nurses
- ~ Veterinarians
- ~ pharmacists
- ~ technicians
- ~ educators
- ~ microbiologists
- ~ environmental specialists
- ~ mental health specialists
- ~ physical therapists

The Medical Reserve Corps also needs people with no medical training or experience. If you or someone you know is interested, please call.

Minimum commitment:

- ~One-time orientation
- ~ One-day annual training
- ~ Able and willing to respond during an emergency

For an application or more information, check out our website at www.tooelehealth.org.
